

Vision Zero Public Engagement Silver Berry Community

The City of Edmonton is exploring an expansion of the Vision Zero Street Lab in Silver Berry after hearing about additional street safety concerns in the area. Vision Zero Street Labs use adaptable traffic calming measures to address traffic safety concerns such as unsafe speeds, shortcutting, and pedestrian safety.

The City would like to explore residents' perspectives and gain insights into their lived experiences and traffic safety concerns. City staff will use these learnings to determine if a Street Lab is needed for your neighbourhood.

We want to hear from people who use all modes of transportation to get around the city. This is where we need your help!

Engagement Opportunities

The opportunities listed on the next page are available for all residents. You are welcome to participate in as many as you'd like. All of the online tools are hosted on engaged.edmonton.ca, which will be a hub for information about this project moving forward. Scan this QR code with your smartphone camera to go directly to the page.

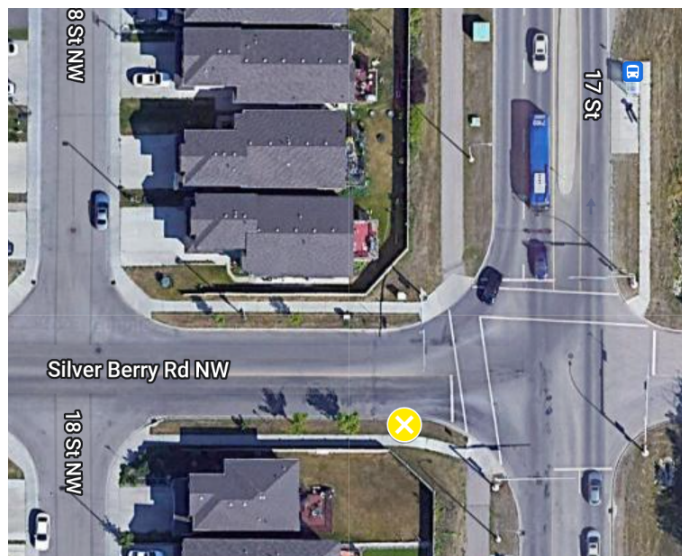

Vision Zero Public Engagement

Silver Berry Community

Event	Date/Time	Location or URL	Description
In-person Walk and Roll Audit	Wednesday April 12, 2023 at 2:30 PM	Southwest corner of Silver Berry Road and 17th Street	Move around your community with City staff to discuss access, mobility, and street safety.

Online Survey	Open until April 23, 2023	Visit engaged.edmonton.ca/SilverBerryStreetLab or use the QR code below	Complete a short survey to share your insights.

Meeting Location for Walk and Roll Audit

Next Steps

After engagement activities end, City staff will create a What We Heard report to share learnings through the Engaged Edmonton website. If a Street Lab is the best fit for your neighbourhood, City staff will create a Street Lab plan based on Safe Mobility best practices, traffic safety data, technical expertise, and the experiences community members have shared.

Please direct any questions or comments to saferoads@edmonton.ca, and we will be in touch!
