

Beacon Heights Neighbourhood Renewal

Exploring Options and Tradeoffs

Public Engagement Road Map for Beacon Heights

Road Map to **Neighbourhood Renewal**

We are in the **Exploring Options and Tradeoffs** step of the engagement road map shown below.

The Neighbourhood Renewal Road Map guides you and your neighbours through the steps of the opportunities to provide feedback and how you can participate. At each step, we will tell you what the purpose is and how your input will inform the decisions being made. We commit to reporting back on how we used your input. Please note that some steps may happen at the same time and out of sequence.

Construction is currently planned for the next budget cycle (2027–2030). The exact start date will be confirmed closer to the completion of the design phase which is expected by the end of 2027.
